HEIGHTENED ENFORCEMENT & CONSEQUENCES

UCR is dedicated to being a good neighbor in the Riverside community. For the 2013/14 academic year, response to neighbor complaints will be heightened, as will enforcement of existing laws, City ordinances, and UCR policies.

Social Host Ordinance

In Summer 2013, the Riverside City Council passed an ordinance requiring hosts of social gatherings to take reasonable steps to prevent minors from consuming alcoholic beverages, marijuana or other controlled substances. The person responsible for organizing the party, the tenant of the premises, and the owner are jointly and severally liable for violations. This means that both landlords and tenants may be fined for each minor consuming alcoholic beverages or other controlled substances. All Social Host Ordinance violations will result in a bill from the City for the cost of City services employed to address the violation.

Conduct on Public Property
Respect yourself, your neighbors, and all property.
It’s unlawful to litter, urinate, defecate, vandalize, consume alcohol, and be intoxicated on public property.

Number or Renters in a Single Family Home
The rental of rooms in Riverside is limited to a maximum of four unrelated individuals in any single-family residential dwelling. Beginning in Summer 2013, landlords must secure a Room Rental Permit with the City of Riverside for single-family residential dwellings where individual rooms or entire residences are rented to more than two (2) individuals located within any R-1 – Single-Family Residential, the RR – Rural Residential, RE – Residential Estate, and MU-N – Mixed-Use Neighborhood Zone. This agreement is required to be renewed annually.

- Dial down the noise – Keep music, TV, car stereos, and conversations low. Observe quiet hours from 10 p.m. – 7 a.m. (Sunday – Thursday), and 12:30 a.m. – 7 a.m. (Friday – Saturday).
- Be mindful of parking & traffic safety – Drive slowly, and park beside the street, or in your own garage or driveway. Do not park on lawns or block driveways or mailboxes.
- Respect your neighbor’s property – Don’t trespass on it or damage it in any way.
- Limit social functions – When possible, hold functions on campus or at appropriate off-campus event venues (like local restaurants, coffeehouses, or banquet halls).
- Manage social functions diligently – Notify your neighbors, control parking, set a time limit, keep noise down, and clean up afterward. [well.ucr.edu/setthelp/Pages/DownloadPamphlet.aspx](http://well.ucr.edu/setthelp/Pages/DownloadPamphlet.aspx)
- Limit alcohol consumption, and never drink and drive – Alcohol can have ugly consequences; for a safer neighborhood and a safer California, know your limit and stick to it.
- Be friendly, respectful and helpful – Treat your neighbors like you want them to treat you. It’s really that simple.
