1. I understand that if I engage in academic misconduct I may be subjected to an academic penalty in this course, and that I will be referred to Student Conduct and Academic Integrity Programs and will incur consequences as mandated by the University, normally in the form of Disciplinary Probation, Suspension, or Dismissal from the University.

2. *Instructors: Please list any specific expectations for academic integrity in your class, such as materials students are/are not allowed to use in exams, sources students may/may not use in completing assignments, and your policy on working together, as these are some of the most common violations we see.*

3. I will ask for clarification if I have questions or concerns regarding any of the above expectations.
